Screenshots of your website

Screenshot of the index.html

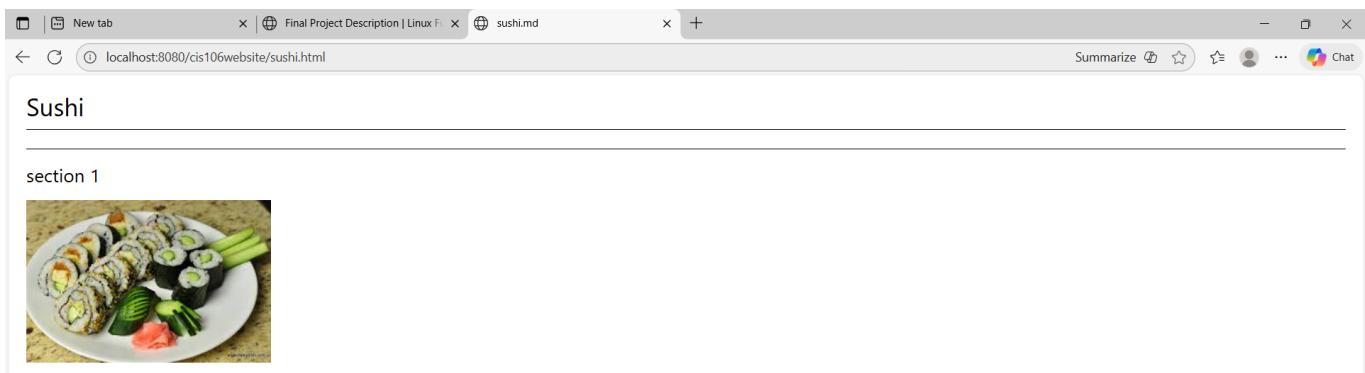

The screenshot shows a web browser window with the URL localhost:8080/cis106website/duck.html. The page content includes:

- A title "Peking duck".
- A section titled "Whole Duck and pancakes" featuring an image of a whole roasted duck and some pancakes.
- A section titled "Duck Facts" with a bulleted list:
 - Peking Duck was originated in China in 1330.
 - In China there are no single best restaurants for peking Duck.
 - There are recommended restaurants in Beijing: Siji Minfu, Dadong, and Jingzun.
- A section titled "Restaurants that have Peking Duck" with a table:

restaurant	location	phone
jiangnan	Fort Lee	2014292888
Jiang Nan NJC	Jersey City	201 333 6668

The browser's status bar at the bottom shows "1 inch of rain Today" and the date "12/2/2025".
